I would like to nominate Steve Corona for the board of directors for this upcoming 2019 NAFA year.

Steve has held numerous positions on the board before becoming the board President which he currently serves. He has been a vital part of the flyball community not only in region 5 but throughout NAFA. He has been a judge in the sport for several years and currently holds the position of supervising judge.

I have known Steve for over 15 years and I have always counted on him for being a very caring and fair person to both the flyball people he comes into contact with and the dogs that play our sport. He has seen and helped NAFA grow over the years and helped implement several rule changes to improve the sport.

Steve is a professional dog trainer and business leader in the Austin Texas area owning kennels that help provide shelter, grooming and training of dogs and cats. He also uses his building for hosting flyball seminars and practices.

With Steve's experience in flyball, his good nature toward people, his leadership abilities and business experience, I proudly nominate Steve Corona for the NAFA board of directors.

Mike Smith

Region 5 Director

Judge since 1995 and NAFA member since 1990
