I would like to nominate Alex Le from Fighting for Freedom Flyball for the board of Directors. Alex ran last year and even though he didn't win he didn't let it faze him. He loves NAFA and wants to help NAFA grow and move forward. I believe his skills as an attorney and manager will be an asset to our organization. He has been in the sport for 8 years or more. He has been actively running this dog with teams all over the United States. He has an upbeat attitude with new ideas. Alex is always looking on the bright side of things. He loves flyball and he has been helping to improve the sport and wants flyball to grow across the US but also on the west coast. Alex, has been a key player for teams all over the west coast. He helps with schedules, website, stats and running his dog on various teams.

He has a "We can do this." attitude and that is what we need as we move forward in the sport.

Thank you,
Meagan Langs
Regional Director for 6
