I would like to nominate Emma Mak for re-election to the NAFA Board of Directors.

Emma was elected to the board in 2018 and is currently Vice Chairman. During her years serving, she has chaired the Rules Committee and Elections Committee and been a member of the Communications and Financial Committees. She is a long-serving member of both the Election and Technology Committees (both in board and non-board positions). As a member of the Communications Committee, she established the NAFAblog and organized featured profiles of NAFA clubs to attract new membership, and headed a small team of volunteers to produce and edit articles of interest to the flyball community.

As the lead developer and technical support for the NAFA database since 2013, Emma brings a great degree of technical knowledge regarding the database, reports, scoring, regional points, NAFAScore, and awards, to the table. She recently provided online sanctioning capability to the NAFA community and continues to adapt the database to NAFA's changing requirements.

Emma and her family are very active NAFA competitors. She and her husband, Gord, have been a part of flyball in Ontario since 2001, and now their family of six enjoy the sport as a family. You can always see a Mak kid shagging balls, running a dog, line-judging and helping out at the head table. Emma has been Tournament Director and Tournament Secretary for several years in Region 2 as a member of SpringLoaded, and is Co-Regional Director for her region.

Emma has a true love and passion for the sport, and is eager to continue work getting NAFA through the challenges presented by the need for an improved measuring system, and COVID-19.

Samantha Pryce Team captain of Pretty Darn Quick club 854 region 2.
